

IDAssurance: Member Insurance Program

The insurance solution of choice for the International Door Association (IDA)

Property & Casualty

Quality. Service. Value. Your customers expect you to deliver this in every project, whether it is a small residential installation or a large commercial contract. IDAssurance was built by the industry experts at Alliant Insurance Services and is endorsed by the IDA to help you do just that.

IDAssurance: Member Insurance Program

IDAssurance is the official insurance program of the International Door Association. Designed to meet the insurance needs of dealers and installers, IDAssurance is the only program custom-built to address the unique risks of the door and access systems industry.

Broad Industry, Broad Coverage

In a market where quality, value, and service are paramount, IDAssurance opens the door to a wealth of benefits, including lower rates, broad coverage, and enhanced convenience.

We offer the following coverage:

- General liability
- Workers' compensation
- Commercial auto
- Property/inland marine
- Umbrella
- Employment practices liability
- Surety bonds

Because of the customized nature of the program and the strength of Alliant, the majority of IDA members can save significantly on insurance costs while broadening their coverage upon switching to IDAssurance.

No Residential Exclusion

IDAssurance is the only program that covers both commercial and residential projects. Whether the residential market is a small part of your business or a large profit center, you now have the freedom to service this market undaunted by risk. Don't think of it as insurance. Think of it as peace of mind to grow your business with confidence.

Operating at the Speed of Business

Your customers depend on you to be fast, efficient, and thorough. You should expect the same of your insurance program. IDAssurance leverages the power of technology to deliver certificates of insurance online and on demand, with certificates delivered via email within two hours of the request.

Designed for You

IDAssurance was built to meet the needs of a diverse industry, from small regional companies to large general contractors. Whatever your size or business objective, IDAssurance was designed around you, offering the following features:

- Underwritten by an "A-" rated carrier
- $0 deductible on general liability
- Payment plans that free up valuable cash flow
- Fast and proactive claims management services
- No residential exclusions
- Best and broadest available coverage forms and endorsements, including:
  - Ongoing and completed options coverage for additional insureds
  - Blanket waiver of subrogation
  - General liability with a per project aggregate
  - Coverage of residential projects
